

## UAE's largest Spa opens to cater to Middle East clientele

**February, 2015 – Abu Dhabi, UAE:** Under the patronage of His Highness Sheikh Nahyan Bin Zayed Al Nahyan, Chairman of Abu Dhabi Sports Council

His Highness has given the honor of opening UAE's biggest state-of-the-art Thalgo Spa located in Abu Dhabi Country Club on Tuesday, 24 February 2015, marking a milestone by opening the doors to the public

The spa has unique features covering an area of 2000 sq. meters and includes the region's first Polynesian massages

Mohsen Mahfouz, General Manager of Abu Dhabi Country Club said: "Along with our strategy to meet with Abu Dhabi's 2030 vision and to provide the UAE community with the best wellbeing and spa available in the world, we have coordinated with the French spa to open the biggest spa in the country to be based at the Abu Dhabi Country Club. As part of our strong belief that good mind comes with good health we have opened our doors for the best spa in this industry to provide excellent services to our guests and visitors

Abu Dhabi Country Club Operations Manager, Samer Massalkhi added: "Thalgo Spa comes as an added value to the services and facilities that we provide in Abu Dhabi Country Club. Therefore, having the biggest spa in the UAE is an additional footprint marked by the Club within the hospitality industry

Arnaud Diaz, Thalgo International Director said: "We are happy to collaborate with Abu Dhabi Country Club, one of the UAE's leading destinations for leisure and sports. We consider it as the best foothold for our spa in the GCC market as we are committed to providing the best services meeting international standards while respecting and complying with the GCC culture

The newly unveiled spa in the capital offers a mind soothing experience in the finest Arabian tradition to its potential clients

The strength of the spa itself speaks volumes, as it has 23 treatment rooms and an elegant VIP set-up, which also comes along with a steam room, jacuzzi and a double bed to rest upon

It offers a wide range of services for men and women, including massages, facials, soaks, and body treatments.

The Spa also accommodates a dedicated boutique that stocks Thalgo products

The facility has eight treatment rooms for women, nine for men and six for VIP guests. All rooms are equipped with massage beds made from memory foam, making them the most comfortable and memorable

At the end of each section of the men and women areas lies an ice fountain, a sauna room and a steam room for two and more. The spa's signature treatments are indulgent and impressive, with emphasis on facial and body treatments that also include the Thalgo massage and the Mahanan, inspired by Polynesian massages. Moreover, the Spa offers the lotus milk bath followed by an Indian-inspired massage infused with essential oils originating from pressed wood, ending with a lotus wrap

Part of the Spa overlooks a view of an exquisite waterfall and greenery, giving you the feel of an all natural surrounding as you fully relax your mind

## About Thalgo Spa

For 50 years, Thalgo Laboratories have been creating marine products for the spa and beauty industry. This philosophy positions Thalgo as the World leader in professional marine cosmetics. The new Thalgo Spa at Abu Dhabi Country Club is an exceptional place with an area of over 2000 m<sup>2</sup> dedicated to well-being and to marine beauty making it the biggest in the UAE

Thalgo Spa has 23 treatment rooms distributed in three sections: Women's and men's sections each having its own relaxation area with heated marble seats, steam room, sauna and ice fountain. The third is the VIP section with treatment rooms having their own Jacuzzi and steam room, as well as a couple's treatment room. Thalgo Spa is a unique place offering a wide combination of specialized treatments and packages for the face and the body: Anti-aging, slimming, relaxation and rejuvenation programs, with a new approach based on the great benefits of sea minerals, exclusive massages, and overall well-being treatments, all with demanding quality criteria to satisfy our clients
